*Wave in the box sono delle strutture di alluminio ricoperte da un "guato" di tessuto stampato che rivoluzionano completamente il mondo degli stand fieristici e della comunicazione visiva. Ideali per esibizioni, fiere e interior design, sono dei prodotti di marketing eccezionali per le forme innovative, facili da montare e da portare in giro nella loro comoda sacca. Il tessuto elasticizzato è completamente personalizzabile e facilmente intercambiabile. I display sono una soluzione commerciale sicura, economica ed efficace per promuovere il tuo business. Siamo a vostra completa disposizione per ascoltare le vostre esigenze e cercare con voi la migliore soluzione comunicativa.*

*The portable display stands are innovative tension fabric structures ideal for exhibitions, trade fairs and interior design.*

*The display stands are a lightweight aluminium structure, easy to mount and fold away into their handy bags.*

*The tension fabric is fully customizable, adapted to your design and is easily changeable, stretched over the stand to create a perfect marketing tool. The displays are a reliable and cost effective solution to transform any event.*

*We will provide you with straightforward advice, along with competitive pricing and a complete customer care experience.*
